Is there any medical or other condition for which you require special services at the Australian/NZ university?
 Yes No

If yes, please provide details below (or attach details on separate sheet of paper)

PART NINE - ADDITIONAL INFORMATION YOU WISH TO PROVIDE IN SUPPORT OF YOUR APPLICATION

PART TEN - STUDENT DECLARATION

1. All information supplied in this application is true.
2. I am aware that I will be required to meet specific deadlines (notified to me by the AEC) to complete forms and paperwork that are sent to me during the process of finalising my admission and entry to Australia/NZ. I further understand that failure to meet these deadlines can jeopardise my admission process, housing or arrival into Australia/NZ.
3. I have sufficient resources or access to financial aid/scholarships, etc. to pay for my education in Australia/NZ.
4. I understand that it is my responsibility to provide all necessary documentation to complete my application for enrollment and failure to do so will result in my application being withdrawn and if I have already paid my Program Deposit of US\$100, it will not be refundable in this event.
5. I will abide by all rules and regulations of the Australian Education Connection, the relevant Australian/NZ university or school and the Australian/NZ Government.
6. I agree to complete any additional forms that may be required in order to complete my application for enrollment.
7. I understand that due to Government regulations and university requirements, I will be required to pay my first semester tuition fees to the university prior to the AEC Program assisting me with my student visa application. I further understand that the AEC may in consultation with the Australian/NZ university defer the payment arrangements of my tuition fees so that I can disburse my tuition fees according to the disbursement dates of my financial aid (including loans) and scholarships.
8. I understand that student visa conditions require that I have medical insurance during my time in Australia/NZ and that such medical coverage will be arranged by the university at cost to me. However, I understand that it is my personal responsibility to take any optional travel and/or personal liability coverage for my travel and also for the duration of my stay in Australia/New Zealand.

NOTES TO APPLICANT:

1. You are required to complete this form and return with unofficial transcripts and a program deposit of US\$100 made out to Connections Abroad LLC, the manager of the AEC Program. Your documents need to be sent to:
Connections Abroad LLC
AEC Program
5722 South Flamingo Road, #303
Ft Lauderdale, Florida 33330
USA
2. You should request your official transcripts to be sent direct to the AEC Program at the address listed in #1 above.
3. As soon as the AEC receives this generic application from you, the AEC will remit university specific information for completion.

TRANSFER STUDENTS - This additional page must be completed by students who will be applying for credit for college work already completed or in the process of being completed before going abroad. Decisions about credit transfer are made by the Australian/New Zealand university and not by the AEC. The information you provide below will assist the AEC provide the information to the university and/or provide you with additional advice and support in relation to credit transfer.

Have you already undertaken college level study for which you will be seeking credit in order to lessen the time overseas to complete your degree?

Yes No

If yes, are the credits relevant to the degree you plan to complete in Australia/New Zealand?

Yes No Unsure

Note: It is unlikely that credit for college level would be awarded to students where the study is not relevant to the degree the student intends to pursue in Australia or New Zealand.

Did you complete a qualification as part of the college work e.g. Associates Degrees?

Yes No

OR

Was your degree plan incomplete?

Yes No

OR

Are you currently undertaking college level study?

Yes No

If yes:

(1) when do you expect to complete your current study? _____

(2) when will a transcript become available for your current study? _____
